

EVALUATIONS AND TRYOUTS

Twilight participation is determined based on tryouts or previous experience or evaluation. Participants must have attended a prior seasonal session or be approved by Skip Marini. If you have registered for Twilight then you will be notified of your status and tryout requirements. The Professional Staff reserves the right to recommend that a twilight participant be placed into another appropriate division if the twilight division is not conducive to the participant. Reminder: All Twilight registrants must be at least 12 years old.
