

### **Missed Session Policy**

In case you are unable to attend a session due to mitigating circumstances such as illness or religious observance, please communicate your situation in advance with Skip whenever possible. Skip will try to offer make-up sessions providing they are done in the same week as your regular session day. However, due to max capacity limitations, a makeup session cannot be guaranteed.

Skip will continue to make every effort to accommodate missed sessions. We understand and appreciate the expense of each session, and want your golfer to receive full value from their participation in YAC Golf. As a reminder though, we can only maintain instructor to golfer ratio and the corresponding level of attention and instruction you have come to expect if missed sessions are the exception.

This does not apply to sessions held under less than perfect weather conditions.
